Rose Extract

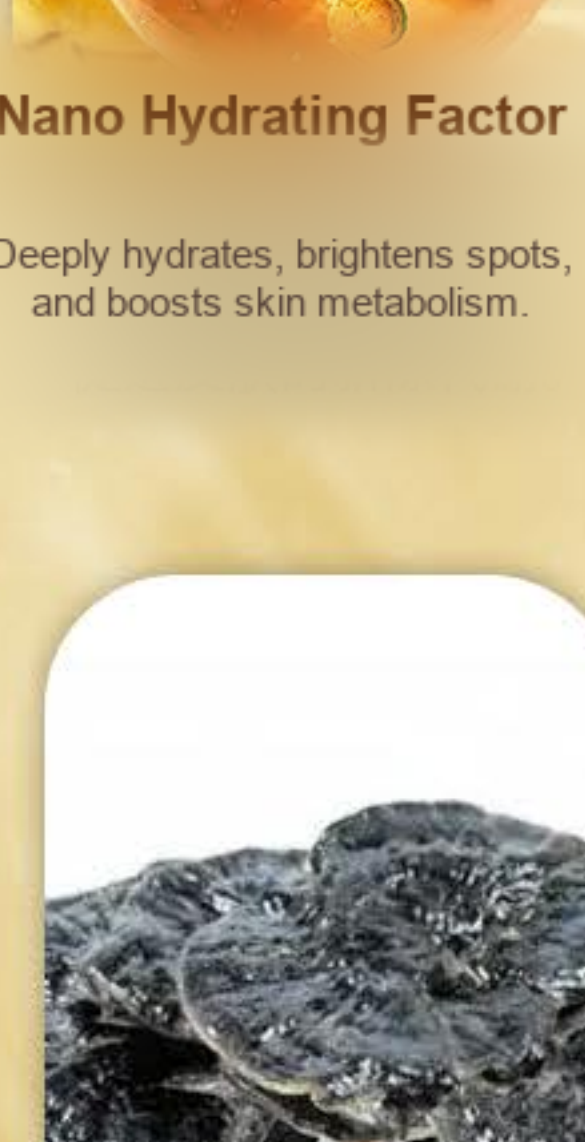

Have You Chosen the Right Moisturizer?

Hydration Reaches Deep Into Skin — Witness Your Youth

"Nutrient Breakdown"

Witness Radiant, Hydrated Skin

Nano Hydrating Factor

Deeply hydrates, brightens spots, and boosts skin metabolism.

Nano Herbal Protection Factor

Antioxidant — blocks free-radical damage; a 'mini iron' against wrinkles.

Black Ganoderma

Brightens and smooths skin, adds shine and elasticity, and helps reduce wrinkles.

Rose

Naturally brightens skin and helps prevent wrinkles.
